Docket No. 421

Phoenix Partnership

158 Edison Road, Trumbull

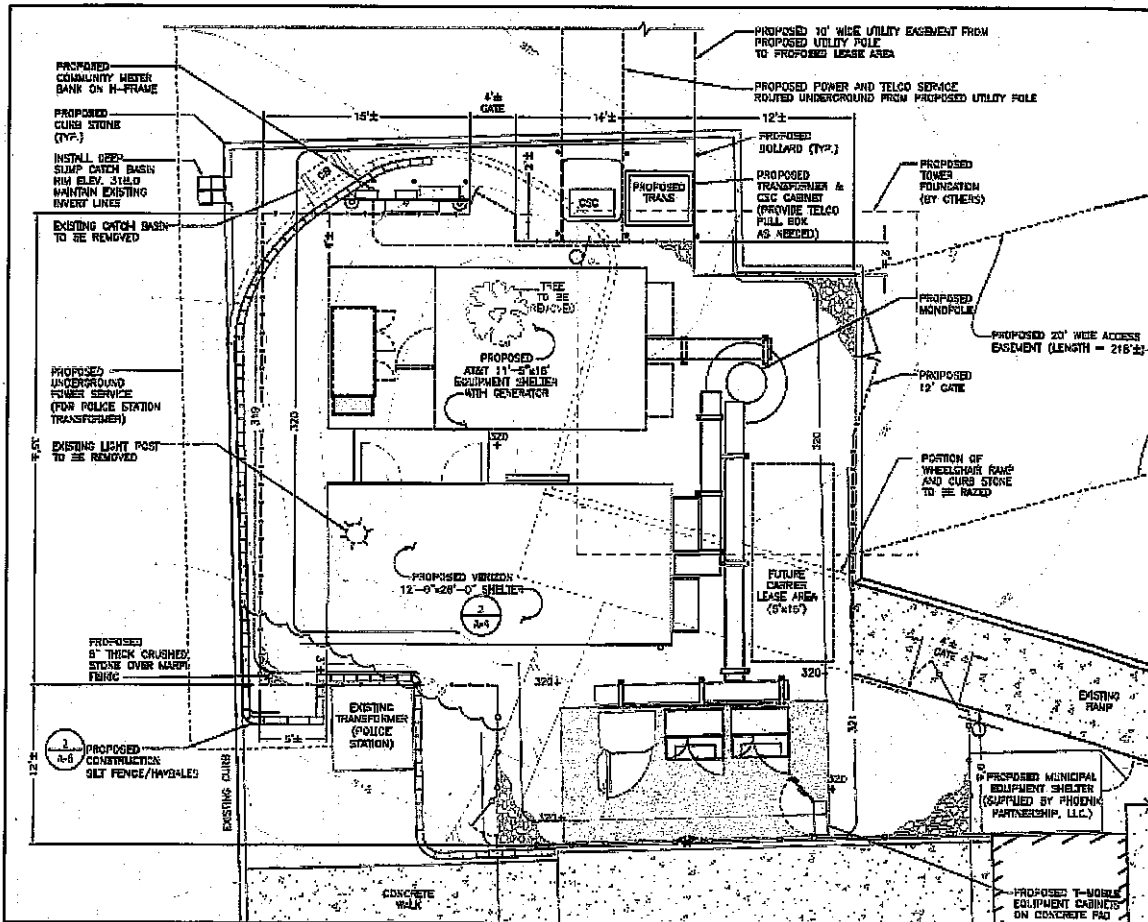

Development and Management Plan Revision

Staff Report

September 3, 2015

On July 23, 2015, the Connecticut Siting Council (Council) approved the Development and Management Plan for this project at the Trumbull Police Department at 158 Edison Road in Trumbull. Subsequent to this approval, on August 20, 2015, Phoenix Partnership (Phoenix) submitted revised site plans to the Council to account for previously unknown underground utilities present in the project area. To avoid these existing utilities, Phoenix intends to move the tower within the compound 23 feet to the north, reconfigure T-Mobile's and Celco's proposed ground equipment, and shift the compound access gate eight feet to the north. The compound location itself did not change.

Staff recommends approval of the Development and Management Plan revision.

Revised site layout.
