***The Connecticut Light & Power Company's Application for a***  
***Certificate of Environmental Compatibility and Public Need for***  
***the Connecticut Portion of the Interstate Reliability Project***

Dear Ms. Roberts,

On behalf of CL&P, I am enclosing the original and 20 copies of an annotated aerial image of a portion of CL&P's existing right-of-way located in the Town of Thompson. Please mark the image as an additional Exhibit for identification. We expect that one or more of CL&P's witnesses will refer to this image during cross-examination or re-direct testimony.

In addition, I am enclosing the original and 20 copies of corrected page 6-26 from Volume 1 of the Application. Please note that on the third line of text on page 6-26, I inserted the word "not" before the word "expected", to address a comment from Mr. Frederick L. Riese of the Department of Energy & Environmental Protection (see his letter of June 21, 2012, page 19). To facilitate the substitution of corrected page 6-26 in the Application notebooks, I have included page 6-25 on the reverse side of page 6-26; however, no changes were made to page 6-25.

Very truly yours,  
CARMODY & TORRANCE
