RESPONSES TO INTERVENOR RICHARD MORELAND'S INTERROGATORIES

- Q1. Please provide details on the coverage expectations for the potential additional carriers that could locate on the proposed East Haven tower along with ATT (sic) and Verizon. How much of a reduction in coverage compared to ATT's (sic) coverage estimates can be expected due to topography as well as the increased interference from obstructions such as trees due to the lower location on the tower where additional carriers would be located?
- A1. *AT&T can only provide information regarding its network as it does not have the information requested for other carriers.*
