Re: **Docket No. 430 – Application Of Celco Partnership d/b/a Verizon Wireless For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility At 77 Milford Street, Burlington, Connecticut**

Dear Chairman Stein:

Enclosed please find fifteen (15) copies of a final recorded Agreement between the Connecticut Department of Public Health (DPH) and the New Britain Water Department regarding certain use restrictions on the southerly portion of the property at 77 Milford Street. Plans referenced in the Agreement are those submitted as part of the Celco Partnership d/b/a Verizon Wireless ("Cellco") telecommunications facility application. Cellco will seek to have this Agreement admitted as a full exhibit in this proceeding.

AGREEMENT

1785

This agreement is made and entered into by and between the Department of Public Health (DPH) and the New Britain Water Department (NBWD) and succeeds the agreement filed in Volume 179, pages 572-573 of the land records of the Town of Burlington on June 30, 1999.

The following conditions are herein accepted by the NBWD:

1. In order to protect the purity and adequacy of the public water supply, the following restrictive covenants are attached to the property located at 77 Milford Street, Burlington:
 - a. No pesticides, herbicides or hazardous chemicals shall be stored or used on the premises.
 - b. Liquid fuel storage tanks shall be prohibited on the premises, except one 1000-gallon propane fuel storage tank on a five-foot by 18-foot concrete pad may be allowed.
 - c. No subsurface sanitary waste disposal system shall be allowed on the premises.
 - d. Livestock shall be prohibited.
 - e. The premises shall not be subdivided.
 - f. The premises shall not be improved with buildings, except one prefabricated 12-foot by 30-foot shelter and one 12-foot by 24-foot shelter may be allowed.
 - g. Any actual or potential sources of contamination that are identified on the premises shall be eliminated.
2. All successors in title to the premises shall be bound by the same restrictive covenants.
3. Any violations of restrictions imposed on this parcel shall be brought to the attention of the Department of Public Health, which may act pursuant to Connecticut General Statutes Section 25-34. In addition, the NBWD shall seek enforcement of these restrictions through appropriate legal means, as necessary, in order to protect the purity and adequacy of the public water supply.
4. The NBWD shall provide proof to the department that this modification has been filed on the land records of the Town of Burlington within ten days of filing.
