RE: **DOCKET NO. 433** – The United Illuminating Company application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115/13.8 kilovolt substation located at 14 Old Stratford Road, Shelton, Connecticut.

Dear Ms. Nappier:

Pursuant to Connecticut General Statutes § 16-50bb, please be advised that the Connecticut Siting Council (Council) is in receipt of the sum of \$25,000 as payment to the Municipal Participation Account (Fund) in connection with the above-referenced proceeding. This payment was received on October 4, 2012, and was deposited into your department account (OTT14420) in fund 12060 – “Other Restricted Revenue”.

Subsection (b) of C.G.S. §16-50bb states, in part, that “[p]ayments from the account shall be made upon authorization by the State Treasurer...” and provides guidance in the event an application involves more than one municipality. To that end, please note that the above-referenced proceeding required notice be sent to [insert number] municipalities.

A list of these municipalities is enclosed herewith for your review. Any or all of the municipalities listed may apply for a portion of the Fund if they become a participant in this proceeding. Proof of municipal expenditures is required to be submitted to the Office of the State Treasurer.

Thank you for your attention to this matter. If I may be of further service to you in this or any other matter, I hope you will not hesitate to call upon me.

Very truly yours,

Linda Roberts
Executive Director
