RE: **DOCKET NO. 434** – Cellco Partnership d/b/a Verizon Wireless Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a relocated telecommunications facility at 139 North Main Street, West Hartford, Connecticut.

The Connecticut Siting Council (Council) will hold a pre-hearing conference on procedural matters on Tuesday, March 26, 2013, in the Council's office, at Ten Franklin Square, New Britain, Connecticut, beginning at 10:00 a.m. All parties and intervenors are requested to attend. The purpose of this pre-hearing conference is to expedite the hearing procedure without sacrificing an informative record necessary for the Council to render a decision.

At the conference, parties and intervenors will be encouraged to discuss requirements for pre-filed testimony, exhibit lists, administrative notice lists, expected witness lists, and the filing of pre-hearing interrogatories. To save the time and expense of the public, the Council wishes to avoid direct testimony at the hearing.

Each party and intervenor is requested to provide all other parties and intervenors in attendance a list of witnesses and the subjects their pre-filed testimony will address, a list of documents to be administratively noticed, and copies of any available exhibits to be offered at the hearing. The pre-hearing conference will also address the grouping of parties and intervenors and the order of presentations at the hearing.
