

STATE OF CONNECTICUT
CONNECTICUT SITING COUNCIL

IN RE:

APPLICATION OF CELLCO PARTNERSHIP DOCKET NO. 434
D/B/A VERIZON WIRELESS FOR A
CERTIFICATE OF ENVIRONMENTAL
COMPATIBILITY AND PUBLIC NEED TO February 15, 2013
RELOCATE AN EXISTING WIRELESS
TELECOMMUNICATIONS FACILITY AT
139 NORTH MAIN STREET, WEST
HARTFORD, CONNECTICUT

REQUEST BY NEW CINGULAR WIRELESS PCS, LLC ("AT&T")
TO INTERVENE IN THIS PROCEEDING

Pursuant to Section 16-50n of the Connecticut General Statutes and Section 16-50j-15a of the Regulations of Connecticut State Agencies, New Cingular Wireless PCS, LLC ("AT&T") respectfully requests permission of the Connecticut Siting Council ("Council") to participate, as an intervenor, in the application and hearing process for Docket 434.

AT&T is licensed by the Federal Communications Commission ("FCC") to construct and operate a wireless communications system in various areas of the United States of America including the State of Connecticut in order to provide cellular and personal communication services to the public. AT&T has an interest in the application process to aid the Council in evaluating the public interest considerations set forth in Section 16-50g and 16-50aa of the Connecticut General Statutes. AT&T currently maintains a collocated facility on the cupola of Gallaudet Hall on the campus of American School for the Deaf ("ASD"). (See EM-CING-155-121011). The renovation plans for ASD include the demolition of Gallaudet Hall. Thus, AT&T has an interest in sharing the use of any relocated wireless telecommunications facility on the

ASD campus approved by the Council in order for AT&T to provide its services in portions of West Hartford.

The Council has admitted AT&T as an intervenor in previous dockets and AT&T proposes to participate in this application in support of the need for a relocated facility in this area of the State. For all the foregoing reasons, AT&T respectfully requests that it be named an intervenor in this proceeding.

Dated: February 15, 2013
