**Re: Connecticut Siting Council Docket No. 435  
Stamford Reliability Cable Project  
Development and Management Plan - Staging Area Request**

Dear Ms. Bachman:

Pursuant to § 16-50j-62(a) of the Regulations of Connecticut State Agencies and Section 7.2 of the Development and Management Plan, CL&P hereby requests approval of the Connecticut Siting Council to utilize the following staging areas:

- 61 Manor Street (approximately 12,000 square feet) would be utilized for one office trailer, construction equipment and materials, tools, and parking for construction and personal vehicles.
- 80 Largo Avenue (approximately 11,000 square feet) would be utilized for construction equipment and materials, tools, and parking for construction and personal vehicles.
- Intersection of South State Street, North State Street and Lafayette Street (approximately 7,500 square feet) would be utilized for construction materials.

The locations of the staging areas are further described in Attachments A and B.

CL&P has provided notice of this request to the City of Stamford.

Enclosed are this original and fifteen (15) copies of this submittal.

Should you or other Council members have any questions regarding this submittal, please do not hesitate to contact me via e-mail at [john.morissette@nu.com](mailto:john.morissette@nu.com) or telephone at (860) 728-4532.

Sincerely,

John R. Morissette  
Project Manager–Transmission Siting
