**RE: Docket 440 – Request for Transfer of Certificate and for Extension of Time  
ATC Site #282783, Colebrook CT  
American Towers LLC  
522 Colebrook Road, Colebrook, CT**

Dear Ms. Bachman,

On behalf of American Towers LLC (“American Tower”), please accept this letter regarding the above referenced facility (the “Facility”) for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 440 (the “Certificate”) to New Cingular Wireless PCS, LLC. As New Cingular Wireless PCS, LLC has assigned its interest in the Facility to American Tower, we formally request a transfer of the Certificate to American Tower. American Tower agrees to comply with the terms, limitations and conditions contained in the Certificate pursuant to Connecticut General Statutes §16-50k(b).

In addition, Condition 8 of the Decision and Order dated February 6, 2014 require the Facility to be fully constructed and providing wireless services within eighteen months from the date of the mailing of the Council’s Findings of Fact, Opinion and Decision and Order. As this timeframe is set to expire on August 6, 2015, and current scheduling demands and logistical considerations will push final completion past this date, we respectfully request a six month extension of the completion time to February 6, 2016.

If members of the Council or Staff have any questions regarding the foregoing please feel free to contact me at 781-569-4712 or [greg.mercier@americantower.com](mailto:greg.mercier@americantower.com). Thank you very much for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory Mercier", written over a horizontal line.
