NOTICE

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Section 16-50l-1(e) of the Regulations of Connecticut State Agencies, of an Application to be filed with the Connecticut Siting Council ("Siting Council") on or after August 2, 2013 by New Cingular Wireless PCS, LLC ("AT&T" or the "Applicant") for a certificate of environmental compatibility and public need for the construction and maintenance of a wireless telecommunications facility in Colebrook, Connecticut.

The proposed facility is located at 522 Colebrook Road and identified as parcel number M15-B25 by the Colebrook Tax Assessor. The proposed facility is located in the south-east portion of the 73.1 acre parcel and is proposed as a 120-foot self-supporting tower. The tower, antennas and ground equipment will be located within a 75' x 75' fenced equipment compound area. Vehicular access to the Facility would be provided from Smith Hill Road over a new 12' wide gravel access drive.

The location, height and other features of the proposed facility are subject to review and potential change under provisions of the Connecticut General Statutes Sections 16-50g et. seq.

The facility is being proposed to allow AT&T to provide service in this area of the State. The Application explains the need, purpose and benefits of the facility and also describes the environmental impacts of the proposed facility. The facility will be available for co-location by other wireless carriers.

A balloon, representative of the proposed height of the facility, will be flown at the proposed site on the first day of the Siting Council public hearing on the Application, which will take place in Town, or such other date specified by the Siting Council and a time to be determined by the Siting Council, but anticipated to be between the hours of 12pm and 5pm.

Interested parties and residents of the Town of Colebrook, Connecticut are invited to review the Application during normal business hours after August 2, 2013 at any of the following offices:
