Re: Connecticut Siting Council Docket No. 442
Application of New Cingular Wireless PCS, LLC (AT&T)
Norwalk Armory Proposed Tower Facility

Dear Executive Director Bachman:

On behalf of the Applicant, New Cingular Wireless PCS, LLC ("AT&T"), we are in receipt of your March 3, 2014 letter on behalf of the Siting Council requesting an extension of time for a decision to be rendered in the captioned Docket. We have spoken with our client in furtherance of procedural discussions on how the Council might close the evidentiary reopening of this Docket and address the request for further information from SHPO as sought by the Council and AT&T. Based thereon (including tolling for purposes of federal law), we are writing to confirm AT&T's mutual consent to an extension of time for the Council's decision in Docket No. 442 to May 2, 2014. Thank you.

Very truly yours,

Christopher B. Fisher
