Re: Docket No. 444 – Request for Extension of Time  
New Cingular Wireless PCS, LLC (“AT&T”)  
Kent Road, New Milford, Connecticut

Dear Executive Director Bachman:

This letter is respectfully submitted on behalf of our client, New Cingular Wireless PCS, LLC (“AT&T”), in connection with the captioned Facility for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 444 (“Certificate”).

Condition 7 of the Decision and Order dated May 29, 2014 required the approved facility to be fully constructed and providing wireless services within eighteen months from the date of the mailing of the Council’s Findings of Fact, Opinion, and Decision and Order.

We are advised by AT&T that current business considerations will require additional time for the tower to be constructed and the facility to be on-air and operational. Accordingly, we respectfully request a one-year extension of the Certificate’s allowed completion time to December 31, 2018 to permit sufficient time for the construction and installation of the approved Facility.

Should Council members or Staff have any questions regarding the foregoing please do not hesitate to contact me. Thank you for your consideration of this request.

Very truly yours,

A handwritten signature in cursive script that reads 'Lucia Chiocchio'.
