Re: Docket 447 - New Cingular Wireless PCS, LLC ("AT&T")

Dear Chairman Stein and Members of the Council:

This letter is submitted on behalf of AT&T to withdraw, without prejudice, its pending application in Docket No. 447 for a tower facility at 560 West Hill Road in the City of Stamford.

Various suggestions have been presented to AT&T by elected officials in meeting the public need for reliable wireless services in this area of Stamford. Indeed, through the leadership of Mayor Martin, AT&T is engaged in citywide discussions with Stamford officials regarding Westover and several other areas of the City where new wireless infrastructure is required to serve the community. In order to facilitate AT&T's ongoing discussions with the City, it has decided to withdraw the current application without prejudice to potentially refile it with the Siting Council at a later date.

Thank you for your consideration of the foregoing.

Very truly yours,

Christopher B. Fisher
