Re: **Docket No. 448 – Application Of Celco Partnership d/b/a Verizon Wireless For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility At 831 Derby Milford Road, Orange, Connecticut**

Dear Ms. Bachman:

Following the Council's July 17, 2014 public hearing, it was discovered that the Wetlands Report, included behind Tab 11 of the above-referenced application, was missing page 2. Enclosed you will find twenty-one (21) copies of the complete All-Points Technology Corporation ("APT") Wetland Investigation Report dated May 2, 2014.

I apologize for this oversight.

Sincerely,

Kenneth C. Baldwin
