Re: **Docket No. 448 – Cellco Partnership d/b/a Verizon Wireless Application For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility At 831 Derby Milford Road, Orange, Connecticut**

Dear Ms. Bachman:

Due to recent changes in Verizon Wireless' build program, the cell site proposed to be developed at 831 Derby Milford Road in Orange, Connecticut (Docket No. 448) has been placed on hold. While the applicant intends to pursue a cell site at this location in the future, it cannot commit to a definitive time frame for its development. Rather than have this matter linger in "limbo" my client has decided to withdraw the Docket No. 448 application. At such time when Verizon Wireless decides to pursue the 831 Derby Milford Road again, it will restart the Siting Council's application process.

Please feel free to contact me with any questions.

Sincerely,

Kenneth C. Baldwin
