Re: Request for Extension  
Connecticut Siting Council Docket No. 449  
Telecommunications Facility at Redding Ridge Fire Department  
186 Black Rock Turnpike, Redding, Connecticut

Dear Executive Director Bachman:

Our records reflect that the Certificate for the captioned matter is due to expire at the end of April of this year. Construction is anticipated to commence this spring and as such we respectfully request a one-year extension of the Certificate to April 30, 2017 in order to complete construction and have at least one commercial carrier on air.

Should you have any questions or require anything further regarding this request please do not hesitate to contact me.

Very truly yours,

Daniel M. Laub
