Re: **Docket No. 452 – Homeland Towers, LLC and New Cingular Wireless PCS, LLC  
Application for Certificate of Environmental Compatibility and Public Need for the  
Construction, Maintenance and Operation of a Telecommunications Facility  
Located at 250 Canaan Road, Salisbury, Connecticut**

Dear Ms. Bachman:

This letter is in response to the Council's request for information regarding Verizon Wireless' interest in the tower site proposed in Docket No. 452. Verizon Wireless does have a need for wireless service in Salisbury and the proposed Homeland Towers, LLC tower would certainly help satisfy that need. Verizon Wireless does not, however, currently have a search area budgeted for Salisbury and, therefore, cannot participate in the Docket No. 452 proceeding.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenneth C. Baldwin".
