Re: Docket 459 - Seven J's Farm, Glastonbury, Connecticut.
Message Center Management, Inc. (MCM) and New Cingular Wireless PCS, LLC (AT&T)

Dear Chairman Stein and Members of the Council:

We are writing to you in connection with the Application filed on behalf of MCM and AT&T in the captioned Docket. For various business reasons, MCM and AT&T have decided to withdraw the Application for a Certificate of Environmental Compatibility and Public Need without prejudice to resubmit an application at a later date. The need for new infrastructure for reliable service in northern Glastonbury continues to exist. It is anticipated that an application for this or a similar facility will be applied for in the future. MCM and AT&T regret any inconvenience and thank the Siting Council and Staff, community and others for their time and consideration in this matter.

Very truly yours,

Daniel M. Laub
