Dear Mayor Maturo:

The Town of East Haven is within 2,500 feet of the proposed facility. Connecticut General Statutes § 16-50f(b) requires applicants to provide notice and serve a copy of the application on municipalities within 2,500 feet of a proposed facility.

Pursuant to Connecticut General Statutes § 16-50gg, municipalities may provide to the Council location preferences or other criteria for the siting of telecommunications towers that are to be considered by the Council in its deliberations. The Council requests submission of these comments by July 1, 2015.

Please be advised that your involvement in the Council process may occur in various ways, such as through formal party or intervenor status, which provides full participation at the public hearing that includes submission of testimony and cross examination of witnesses, or through a limited appearance that includes submission of written comments at any time up to 30 days after the public hearing or oral comments during the 7 PM public comment session of the public hearing.
