Re: Docket 460 - 45 Rose Hill Road, Branford, Connecticut  
TowerCo 2013, LLC (TowerCo) and New Cingular Wireless PCS, LLC (AT&T)

Dear Chairman Stein and Members of the Council:

We are writing to you in connection with the Application filed on behalf of TowerCo and AT&T for a new tower facility at 45 Rose Hill Road in the Town of Branford. For various business reasons, TowerCo and AT&T have decided to respectfully withdraw the Application for a Certificate of Environmental Compatibility and Public Need at this time and without prejudice to resubmit the application at a later date. The need for new infrastructure for reliable service in southwestern Branford continues to exist. It is anticipated that an application for this or a similar facility will be applied for in the future. TowerCo and AT&T regret any inconvenience and thank the Siting Council and Staff, state and municipal officials, community members and others for their time and consideration.

Very truly yours,

Christopher B. Fisher
