Re: **DOCKET NO. 461** - Eversource Energy Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV underground transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

Dear Attorney Bachman:

In connection with the above-referenced Docket No. 461, on behalf of Eversource, I hereby respectfully request an extension of time from November 24, 2015 to November 30, 2015 to submit responses to interrogatories from the Office of Consumer Counsel - Set Four, Pet Pantry - Set Three, and Field Point Estate Townhouses, Inc. - Set Three. As you know, the Council requested additional information from Eversource at the October 6, 2015 hearing, and the Office of Consumer Counsel has also filed its Set Three interrogatories. The additional information and the responses to such Set Three interrogatories required a significant commitment of resources and analysis. Eversource expects to file that information and those responses on November 24, 2015, along with some of the responses to the interrogatories for which Eversource requests this extension. However, additional time is needed to complete the remaining interrogatory responses.

Very truly yours,

Marianne Barbino Dubuque
