MOTION OF
THE OFFICE OF CONSUMER COUNSEL

The Office of Consumer Counsel (“OCC”) is in receipt of the 11/20/2015 Motion of Connecticut Light and Power Company d/b/a Eversource Energy (“CL&P” or “Company”), and of the Siting Council’s Reply of the same date granting CL&P’s request to extend the due date for the last sets of interrogatory responses from 11/24/2015 to 11/30/2015.

The next hearing is currently scheduled for 12/01/2015, less than one day after the last sets of interrogatory responses are now due. The OCC notes that, as of this date, the Company’s responses to the information requested at the 10/06/2015 hearing have now been pending for seven weeks, and OCC’s third set of interrogatories, filed three weeks ago, is also still pending response.

In order to have time to review responses filed after noon today, the OCC requests that an additional hearing date be scheduled for a date after 12/07/2015, that would be convenient for the Siting Council.
