CL&P dba Eversource Energy Docket No. 461 Data Request OCC-02 Dated: 09/21/2015 Q-OCC-025-RV01 Page 1 of 1

Witness: Witness Panel

Request from: Office of Consumer Counsel

Question:

Provide the number of customers served out of the Cos Cob Substation, broken down by residential, commercial and industrial, who have received Energize CT services, and categorize by type of service received.

Response:

The table was cut off in original filing. See attached for the full table.

The following summary table shows the number of Greenwich customers who received Energize CT electric energy efficiency measures from 2012-2014 broken down by sector and program. Note that Eversource was not able to cross-reference this list with customers served through the Cos Cob Substation, and that totals may reflect some customers who participated more than once in different calendar years.
