RE: **Docket No. 462:** Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Capacity and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Danbury Tax Assessor's Map L16, Lot 5, 15 Great Pasture Road, Danbury, Connecticut.

Dear Ms. Bachman:

The Drinking Water Section of the Department of Public Health has reviewed the application associated with Docket No. 462 for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric McPhee".
