RE: **DOCKET NO. 463** – American Towers, LLC and New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at East Lyme Tax Assessor Parcel ID 29.0 45, 351A Boston Post Road, East Lyme, Connecticut.

Dear Attorney Fisher:

The current deadline for a completeness review for the above-mentioned docket is November 5, 2015. Due to the cancellation of the Connecticut Siting Council's (Council) October 29, 2015 regular meeting, the Council will need additional time to deem the application complete.

The applicant's consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
