Re: Docket 464 Facility  
Blue Sky Towers, LLC  
220 Evergreen Street, Bridgeport, Connecticut

Dear Chairman Stein and Members of the Connecticut Siting Council:

On behalf of Certificate Holder Blue Sky Towers, LLC this letter is submitted in regard to the captioned Facility for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 464 ("Certificate").

This is to confirm that the Facility is constructed, on-air, and operational. A construction completion report in accordance with Siting Council regulations is included with this letter.

In the meantime, should you or the Council have any questions regarding this matter please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read 'D Laub', is written over a horizontal line. The signature is fluid and cursive.

Daniel M. Laub

cc: Mayor Joseph P. Ganim, Bridgeport  
Blue Sky Towers  
AT&T  
Christopher B. Fisher, Esq.

**Docket 464 – Construction Completion Report**  
**220 Evergreen Street, Bridgeport, Connecticut**

In accordance with Sec. 16-50j-77(b)(4), the Certificate Holder reports to the Connecticut Siting Council the following:

1. Agreements with abutters or other property owners regarding special maintenance precautions:
  - None to report.
2. Significant modifications of the Development and Management (D&M) Plan that were required because of the property rights of underlying and adjoining owners or for other reasons.
  - No modifications of the approved D&M plan to report. Siting Council approved shared use of facility by Sprint as per TS-SPRINT-015-170616 on July 20, 2017.
3. Location of construction materials/improvements left in place in the form of culverts, erosion control structures along watercourses and steep slopes, and corduroy roads in regulated wetlands.
  - None to report.
4. Location of areas where special planting and reseeding have been done;
  - None to report.
5. Agreements between the certificate holder and public agencies authorizing public recreational use of the site to the extent of the certificate holder's property rights thereto.
  - None to report.
6. Final construction cost of the tower and associated equipment, including:
  - Construction of the tower and associated equipment: \$105,955 for construction of tower, \$250,000 for AT&T installation.
  - Rehabilitation: N/A
  - Property acquisition for site or access to site: N/A
