Re: Docket No. 465 – Commencement of Construction - Update

Dear Chairman Stein:

In accordance with Condition No. 3 of the Siting Council's April 28, 2016 approval of the above-referenced docket, this letter will serve as notice of the applicant's completion of the Site clearing portion of the Project and commencement of construction of the approved facility during the week of May 8, 2017.

If you have any questions or need any additional information regarding the proposed construction schedule, please feel free to contact me at 203-926-4861.

Sincerely,

Martin Malin
Project Manager
The United Illuminating Company
