TO: Council Members

FROM: Melanie Bachman, Acting Executive Director *MB*

RE: **DOCKET NO. 466** - The Connecticut Light & Power Company d/b/a Eversource Energy application for a Certificate of Environmental Compatibility and Public Need for the Frost Bridge to Campville 115-kilovolt (kV) electric transmission line project that traverses the municipalities of Watertown, Thomaston, Litchfield, and Harwinton, which consists of (a) construction, maintenance and operation of a new 115-kV overhead electric transmission line entirely within existing Eversource right-of-way and associated facilities extending approximately 10.4 miles between Eversource's existing Frost Bridge Substation in the Town of Watertown and existing Campville Substation in the Town of Harwinton; (b) related modifications to Frost Bridge Substation and Campville Substation; and (c) reconfiguration of a 0.4 mile segment of two existing 115-kV electric transmission lines across the Naugatuck River in the Towns of Litchfield and Harwinton within the same existing right-of-way as the new 115-kV electric transmission line.

The Connecticut Siting Council has scheduled a field review for this docket for Tuesday March 1, 2016 beginning at 1:00 p.m.

Council members will meet at the Northfield Volunteer Fire Company, 12 Knife Shop Road in Litchfield at 12:45 PM for bus transportation of the project route. Directions are enclosed.

A public hearing will be held on Tuesday, March 1, 2016, with an evidentiary session beginning at 3:30 PM and a public comment session at 6:30 PM, at the Northfield Volunteer Fire Company, Catlin Community Room, 12 Knife Shop Road, Litchfield, Connecticut.

A map and directions are enclosed.
