RE: **DOCKET NO. 471** - Cellco Partnership d/b/a Verizon Wireless Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Hamden Tax Assessor's Map 2826, Block 24, 208 Kirk Road (a/k/a 1075 Paradise Avenue), Hamden, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated January 28, 2019 regarding a revision to the Development and Management (D&M) Plan for the above-referenced site that was approved by the Council on January 17, 2019.

Pursuant to Regulations of Connecticut State Agencies §16-50j-77(b), your request for the installation of a different panel antenna model at the site is hereby approved. The new panel antenna model is similar in height and appearance to the antenna model that was originally proposed and approved for the site.

This approval applies only to the D&M Plan revision dated January 28, 2019. Any significant changes to the D&M Plan require advance Council notification and approval.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-77.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director
