Re: Docket No. 471 – Written Comments of Ms. Patricia Sorrentino to Draft Findings of Fact

Dear Attorney Bachman:

Please accept this letter as the Written Comments of Ms. Patricia Sorrentino to Draft Findings of Fact in Docket No. 471. Ms. Sorrentino very much appreciates the courtesy and thoroughness demonstrated by the staff and members of the Connecticut Siting Council and offers only comments to two of the Draft Findings of Fact.

No. 101 (concerning access to Alternate Site 2): The Draft does not address the potential for access from the extension of Kirk Road, which is in part used for commercial purposes and would obviate the need to interfere with the residential nature of the Country Club Drive cul de sac. Tr. 3, p. 107.

No. 112 (concerning impact of high winds on monopole): The Draft should state that its finding is limited only to the monopole itself and should not be construed to imply that the attachments to the tower can be represented to remain unquestionably secured to the facility in the event of such high winds speeds. Tr. 1, pp. 77-78.
