**Request for Extension – Notice of Site Activation**

Dear Ms. Bachman:

As you are aware, construction on the above-referenced telecommunications facility commenced on or about October 1, 2018. Cellco may not, however, complete the installation and activation of its cell site equipment by the current March 5, 2019 deadline. We are, therefore, requesting a six (6) month extension of the deadline in order to complete site construction and cell site activation to September 5, 2019.

If you have any questions or need any additional information please feel free to contact me.

Sincerely,

Kenneth C. Baldwin
