Subject: Proposed Telecommunications Facility  
515 Morehouse Road  
Easton, CT  
Homeland Towers

Dear Mr. Karmazinas:

The State Historic Preservation Office is in receipt of the proposal for the above-referenced project, submitted for review and comment pursuant to the National Historic Preservation Act and in accordance with Federal Communications Commission regulations.

After completing review of 515 Morehouse Road, All-Points Technology Corporation has in their professional opinion stated that there will be no historic properties affected by the proposed 150' monopine within a 70'x 70' fenced compound on the subject property. Based on the information provided to this office, SHPO concurs that no historic properties will be affected by this undertaking.

The State Historic Preservation Office appreciates the opportunity to review and comment upon this project. These comments are provided in accordance with the Connecticut Environmental Policy Act and Section 106 of the National Historic Preservation Act. For further information please contact Todd Levine, Environmental Reviewer, at (860) 256-2759 or [todd.levine@ct.gov](mailto:todd.levine@ct.gov).

Sincerely,
