Re: Eco-Site, Inc. & T-Mobile Northeast
Proposed Wireless Telecommunications Tower Facility
248 Hall Hill Road, Somers, Connecticut

Dear Chairman Stein and Members of the Council:

On behalf of Eco-Site and T-Mobile we respectfully enclose an original and twenty copies of an Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility to serve the Town of Somers (the "Application"). The enclosed Application provides details of a proposed facility sites for consideration by the Siting Council located at Hall Hill Road, Somers, Connecticut. Copies of the Application Certification of Service accompany the Application.

Also included in this submission please find four copies of a Bulk Filing including the Town's Plan of Conservation and Development, Zoning Regulations, Zoning Map, Inland Wetlands and Watercourses Regulations as well as a copy of the Technical Report submitted to the Town. A check payable to the "Connecticut Siting Council" in the amount of \$1,250, representing the filing fee and an electronic copy of the Application and its attachments on CD are also enclosed. Copies of the lease as well as affidavits evidencing publication of the notice of intent to file will follow under separate cover.

We respectfully request that this matter be assigned a docket number and placed on the next available Council agenda for scheduling of a public hearing. Should the Council or staff have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in cursive script that reads "Daniel Laub".
