June 13, 2019

RE: DOCKET NO. 476 - Eco-Site, Inc. and T-Mobile Northeast, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 248 Hall Hill Rd, Somers, Connecticut.

Commencement of Construction Notice

Dear Ms. Bachman:

In accordance with the Siting Council's February 15, 2018 approval of Docket No. 476 Certificate of Environmental Compatibility and Public Need ("Certificate") and its June 8, 2018 Development and Management Plan approval and subsequent approval of the D&M minor mod approval dated October 19, 2018, this letter will serve as notice that construction of the approved facility did commence on or about July 24, 2018. As of today, the tower site is substantially complete and expected to be operational no later than June 28, 2019.

The Construction Manager who was responsible for site construction activity is Charlie Moore with Pyramid Network Services, the General Contractor contact is Chuck Wing, Heidrea Communications. Should you have any questions of them, Mr. Moore's and Mr. Wing's contact information is provided below.
