**CBRE Project No.: TS61116613**  
**E-106 File No.: 0007624857**

Dear Mr. Forrest:

CBRE is writing on behalf of Eco-Site, Inc. to solicit your comments on a proposed telecommunications facility at the above referenced address. As the Project is a federal undertaking regulated by the Federal Communications Commission (FCC), it is being reviewed under Section 106 of the National Historic Preservation Act for its impacts to historic architectural and archaeological resources.

Please note that the FCC Form 620 submission package was mailed to your office on January 18, 2017. On January 19, 2017, CBRE received a response from the Town of Somers Director of Land Use and Engineer stating that "there are no registered historic areas or properties that would be affected by this proposal." The email response is attached for your reference.

Please do not hesitate to contact me with any questions. Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Britta Tonn".

Dear Mr. Forrest:

CBRE is writing on behalf of Eco-Site, Inc. to solicit your comments on a proposed telecommunications facility at the above referenced address. As the Project is a federal undertaking regulated by the Federal Communications Commission (FCC), it is being reviewed under Section 106 of the National Historic Preservation Act for its impacts to historic architectural and archaeological resources.

The proposed facility will consist of new, 180-foot monopole telecommunications tower along with the installation of ancillary equipment at the above referenced address.

Please do not hesitate to contact me with any questions.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Britta Tonn".
