RE: **DOCKET NO. 478** - Eco-Site, Inc. and T-Mobile Northeast, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 63 Woodland Street, Glastonbury, Connecticut.

Dear Attorney Laub:

The current deadline for a completeness review for the above-mentioned docket is October 18, 2017. Due to the cancellation of the October 12, 2017 energy/telecommunications meeting, the Connecticut Siting Council will need additional time to deem the application complete.

The applicant's consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
