RE: **DOCKET NO. 478** - Eco-Site, Inc. Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 63 Woodland Street, Glastonbury, Connecticut.

Dear Attorney Chiocchio:

The Connecticut Siting Council (Council) is in receipt of your request for an extension of time, dated November 15, 2018, to respond to the Council's Development and Management Plan (D&M Plan) interrogatories for the above referenced matter. Pursuant to Section 16-50j-22a of the Regulations of Connecticut State Agencies, the Council hereby grants the request for an extension of time to close of business on November 30, 2018.

However, pursuant to Section 16-50j-75(d) of the Regulations of Connecticut State Agencies, the current deadline for the Council to approve, modify, or disapprove the D&M Plan submitted for this facility is December 18, 2018. Due to the Certificate Holder's request for an extension of time to respond to the Council's D&M Plan interrogatories, the Council will need additional time to review the D&M Plan. The Council hereby requests an extension of the D&M Plan decision deadline for Docket 478 until January 31, 2019.

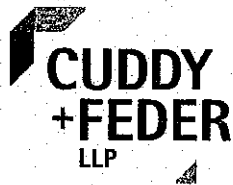

We thank you in advance for your timely response to this matter.

Sincerely,
