I. Introduction

The application is from Cellco Partnership d/b/a Verizon Wireless for the construction, maintenance, and operation of a 120-foot monopole telecommunications facility and associated equipment on a 7.78-acre parcel owned by Cromwell Concrete Products, Inc. and Libera Estate Holdings, LLC and located at 667, 665, 663 and 663R Main Street in the Town of Cromwell, Connecticut. The Town of Rocky Hill is within 2,500 feet of the proposed facility.

II. Technical

The application conforms to the Council's *Application Guide for Community Antenna Television and Telecommunication Facilities* dated July 2012, includes relevant maps, descriptions of the proposed prime site, costs, a description of the environmental effects of the proposed construction, and health and safety information. The application meets statutory technical requirements for processing the application. This project would not require an outside consultant.

III. Administrative Review

All service and filing requirements pursuant to General Statutes § 16-50/ (b) have been fulfilled. Notice to the general public was published in the Hartford Courant.

IV. Procedural

The Council must schedule a hearing in the county in which the facility or any part thereof is to be located not less than 30 days and no more than 150 days after receipt of an application. The Council must also designate a place for the deposition of the transcript. Staff recommends holding the public hearing in the Town of Cromwell on Thursday, April 19, 2018, and depositing the transcript in the Cromwell and Rocky Hill Town Halls.
