Re: **Docket No. 482 – Application of Celco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility Located at 917 Exeter Road, Lebanon, Connecticut**

Dear Ms. Bachman:

On June 22, 2018, the Siting Council rendered its Decision and Order regarding the construction of a wireless telecommunications facility located at 917 Exeter Road in Lebanon, Connecticut. The approval requires that the facility be fully constructed and the cell site operational on or before December 22, 2019. Celco anticipates filing its Development and Management Plan for the facility in the coming months and has not yet commenced construction. We are, therefore, requesting an extension of twelve (12) months, to complete the construction and activation of the site to December 22, 2020.

If you have any questions or need any additional information please feel free to contact me.

Sincerely,
