**LEGAL NOTICE**

Notice is hereby given, pursuant to Section 16-50I(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about March 12, 2018, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications tower and related facility in the southerly portion of the 38.17 acre parcel at 917 Exeter Road in Lebanon, Connecticut behind the Lyman Memorial High School. Cellco proposes to construct a 150-foot monopole tower and install a 9'-4" x 16' steel equipment platform supporting equipment cabinets, a propane-fueled back-up generator, and a 1,000 gallon propane tank within a fenced facility compound. The Town's emergency service antennas will be installed at the top of the tower. Cellco's antennas will be installed at the 140-foot level on the tower. Access to the facility will extend from Exeter Road over existing paved driveways used by the Lyman Memorial High School and a short gravel driveway extension. The location and other features of the proposed facility, including tower height are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq. and 47 U.S.C. § 1455e.

On the day of the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower described above. Interested parties and residents of the Town of Lebanon are invited to review the Application during normal business hours after March 12, 2018, at any of the following offices:
