Possible Deliverables and Key Tasks

Possible Deliverables and Key Tasks

- ▶ Assessment of QRTP readiness
- ▶ Develop potential fiscal notes
- ▶ What supports are needed for timely and successful discharges?
- ▶ What is the best way for QRTPs to provide and document sibling/family involvement?
- ▶ Survey aftercare best practices

Possible Deliverables/Key Tasks (cont'd)

- ▶ Draft QRTP regulations, policies/procedures, QRTP flow sheet
- ▶ Outline various processes (e.g., how assessment information gets to court, targeted disposition planning around the 60 day benchmark)
- ▶ Develop documentation for processes (e.g., involvement of permanency team in placement)
- ▶ Survey regional, youth, family needs
- ▶ Creating trauma informed systems (NCTSN resources)

Action Items/Next Steps And Next Meeting
