Legal Matters

**Memorandum of Decision in the matter of Dale F. Salmonese, R.Ph.
Docket No. 10-1351**

Assistant Attorney General Dan Shapiro appeared to inform the Commission of the Memorandum of Decision regarding the above case.

The MOD includes two counts against Dale Salmonese. Originally, the Commission discussed a third count, however, Attorney Shapiro did not find interpretation of the law that would allow for the third count.

An order for a 90-day suspension and 1 year probation has been issued.

Commission action: Commissioner Beaudin motioned, seconded by Commissioner Goodmaster and a vote of 5-0 was passed approving the Memorandum of Decision (Commissioner Inguanti stepped down to review the case).

Interview of Reciprocity Candidates

Chairman Summa provided an overview of the telephone interview including the reasons why the following questions are asked during the interview process. The questions are asked of potential licensees in order to ensure proper communication skills since the pharmacist will need to interact with patients and community members, as well as give the pharmacist an opportunity to explain his or her past experiences and disciplinary action, if any.

The questions asked by the Commission are:

1. Have you ever been before a Board?
2. Have you ever had a problem with drugs or alcohol?
3. What is Connecticut's CE requirement?
4. What is the pharmacy technician ratio for Connecticut?
5. Why are you seeking licensure in Connecticut?

DN 11-60 and DN 11-61 These two agreements resolve an investigation of Hancock's Pharmacy (PCY.897) and Gregory Hancock (PCT.6281) its pharmacist manager/owner. DN 11-94 Drug Control investigated a prescription error and noted that the pharmacy had failed to perform a Quality Assurance review. *The department is recommending a Letter of Reprimand to the pharmacist (Nitha Mathai, PCT.11472) who failed to initiate the Quality Assurance review.* A motion was made by Commissioner Inguanti, seconded by Commissioner Vegliante and a vote of 5-0 was passed accepting the Agency's recommendation.

DN 11-122 Pharmacist Christopher Sexton (PCT.7574) surrendered his license in September of 2009 for drug diversion. He has the required record of drug counseling and negative drug screens. *The proposed agreement is typical for this kind of situation.* A motion was made by Commissioner Cangelosi, seconded by Commissioner Inguanti and a vote of 5-0 was passed accepting the Agency's recommendation.

DN10-1403 Wadim Timakov (PCT.9785) was the manager of a pharmacy that was investigated by Drug Control for failure to maintain effective controls against the diversion of controlled substances and failure to report controlled substance losses in a timely manner. *The department is recommending a Letter of Reprimand to the pharmacist manager. The pharmacy has already paid a civil penalty.* A motion was made by Commissioner Beaudin, seconded by Commissioner Goodmaster and a vote of 5-0 was passed accepting the Agency's recommendation.

DN 11-88 and DN 11-121 Walgreens Pharmacy #2976 (PCY.1471) and Walgreens Pharmacy #10647 (PCY.1376) breached patient confidentiality by giving a prescription to the wrong person. *Each pharmacy is paying a \$1,000 civil penalty.* A motion was made by Commissioner Inguanti, seconded by Commissioner Beaudin and a vote of 5-0 was passed accepting the Agency's recommendation.

DN 11-90 Stop & Shop Pharmacy #674 (PCY.1248) breached patient confidentiality by giving a prescription to the wrong person. *The agreement provides for a \$1,000 civil penalty to the pharmacy.* A motion was made by Commissioner Inguanti, seconded by Commissioner Goodmaster and a vote of 5-0 was passed accepting the Agency's recommendation.

Other Legal:

Carl Mancini made an informal appearance before the Commission regarding DN 08-19, along with his counsel Attorney Summa (who is no relation to the Commission's Chair).

Mr. Mancini and his counsel recognized the agreement not to seek reinstatement. However, because of his personal addiction, Mr. Mancini believes he has paid a severe price, which includes bankruptcy and the inability to find work, and is asking the Commission to reconsider the agreement. Though Mr. Mancini did possess legal counsel, he states the decision to sign the agreement was both rash and haste.

Mr. Mancini states he has turned his life around and is now married with one child and would like to contribute to and become a part of the community. He has attended detox, rehabilitation, and attends AA/NA meetings three times weekly, as well as volunteers with the addictions population and DEER program.

Attorney Schwane, DCP Counsel, stated the Agency's opposition of this request as allowing reinstatement would set a precedent that any agreement may not be permanent.

Commission action: The Commission will consider the request and make a decision based on information received regarding the criminal case charges from both the State's Attorney's Office and the Commission's legal counsel.

Additional Item Not on the Agenda

Prior to the meeting's adjournment, Commissioner Goodmaster wanted to go on record to state:

“In the 23 years I have been on the Pharmacy Commission, I have attended the Annual NABP meetings at least twenty times, most of them at my own expense. For the past several years, Chairman Summa and I have been the only ones to attend and for the past three or four years, I have been the only one. Fortunately, a few years ago, NABP instituted a grant to be given to the states that did not fund these meetings in order to make it possible for more Board members to attend as opposed to Board execs who were primarily funded by their State boards. I have been given to understand that this year the decision as to who is to represent the Connecticut Commission of Pharmacy has been made by the Director of Drug Control. This no reflection the very good work done by our Board Administrator, but I wish to go on record as objecting this decision in that the Connecticut Commission of Pharmacy will be represented by a voting delegate who is not an actual member of the Commission. Furthermore, I do not feel that the Division of Drug Control has the authority to make this decision unless, unknown to me, the Pharmacy Commission is now under the jurisdiction of Drug Control.”
