**UNITED ILLUMINATING/
CONNECTICUT LIGHT & POWER CO.** : **DECEMBER 28, 2006**

FINAL DECISION

I have reviewed the hearing officer's Proposed Final Decision in this matter. In that decision, in which she adopted and included the parties' stipulations in her findings of fact and conclusions of law, the hearing officer found that the proposed regulated activity, if conducted in accord with the terms and conditions of the revised draft permit, would comply with the statutory and regulatory standards governing issuance of the permit. General Statutes §22a-359; Regs., Conn. State Agencies §22a-30-10.

I affirm the hearing officer's conclusion and accept her recommendation to issue the requested permit incorporating the terms and conditions set forth in the revised draft permit, which is appended to the proposed decision as Attachment C.
