Introducing Our New Even Greener, Green Catalog!

This year our Green Catalog has gone completely digital. That means no paper, no ink and no printing so it's more eco-friendly than ever!

**Table Of Contents**

Paper & Pads .....	2-13
Office Essentials .....	14-31
Furniture .....	32-34
Filing & Binding .....	35-63
Cleaning & Breakroom .....	64-80
Office Technology .....	81-95

Look for these icons next to products. Each symbol indicates that a product adheres to specific environmental standards.

**COMMENTS:**  
Have comments or suggestions? We want to hear from you! Please visit [www.catalogfeedback.com](http://www.catalogfeedback.com) and email your ideas on [feedback@catalog.com](mailto:feedback@catalog.com) to improve the catalog.

- Recycled materials.
- Products that conserve green electricity, such as energy efficient, long-life bulbs.
- Certified by the Forest Stewardship Council as being made from responsibly managed forests.
- Product is certified for low chemical and particle emissions that meet or exceeds GreenSource guidelines.
- The Sustainable Forestry Initiative (SFI) is based upon principles that promote sustainable forest management, including measures to protect water quality, biodiversity, wildlife habitat, riparian areas, and forests with recognized environmental value. SFI program requirements are audited by independent, third-party certification bodies to ensure conformance.
- Meets all energy efficiency guidelines set by the EPA and the U.S. Department of Energy.
- Products that come from responsible sources that support the conservation of forests and wildlife.
- Certified on its ability to meet other environmental testing and evaluation standards.
- Products certified for superior content and meet the stringent EPA standards for providing a healthier and significant improvement toward low typical products in the same category.
