

# First Destination (Multi-Town Transfer Station or Landfill or Resource Recovery Facility) of Municipal Solid Waste (MSW)

## Generated within the Borders of Connecticut Municipalities and Disposed in FY2008

(Also see [this report](#) showing where Connecticut Multi-Town Transfer Stations transferred the MSW for disposal)

**MSW disposal tonnages** presented in the table below represent both residential and nonresidential MSW and are based on data submitted to the Connecticut Department of Environmental Protection by Connecticut permitted transfer stations, resource recovery facilities, and landfills as entered into the CT DEP Solid Waste Database as of 10/1/2009. To view the total amount of MSW reported received from within the borders of each Connecticut municipality, see [this report](#).

Please contact [Judy Belaval](#) (860 424-3237) at the Connecticut Department of Environmental Protection, Bureau of Material Management & Compliance Assurance Recycling Office if you have any questions, comments, or corrections regarding the data presented in this report.

**To find data for a municipality click on the name of the city or town below:**
