Re: OEMS COMM 16-02 follow up – List of data holes by AgencyID, 2015 & 2016

---

As promised, we have listed the “data holes” at the point of the last update (4/12/16). Each year has a separate list, with the points of concern shaded. You may note other issues such as the yearly total for 2015 as well.

Each software vendor has been sent record counts for its EMS clients. If you have changed vendors, we need to know. Please work with your software vendor to resubmit data ONLY for months where you can see that the record count is not correct.

#### Resubmission targets:

- Resubmission of 2015 data to correct inconsistencies by May 30, 2016.
- Resubmission of first quarter 2016 data to correct inconsistencies by June 15, 2016.
- Pre-submission validation of each data file and resolution of XML errors should be ongoing.

Please contact Ann Kloter at 860.509.7431 or [ann.kloter@ct.gov](mailto:ann.kloter@ct.gov) with questions.

We appreciate your cooperation.
