To: All Connecticut certified & licensed EMS Organizations submitting EMS Data

From: Raffaella Coler, RN, MEd, Paramedic ^R
Director, Office of Emergency Medical Services
Ann Kloter, MPH ^{AK}
Epidemiologist

Re: Submit January 2017 EMS data to STAGING environment

Here we go...

A STAGING environment is available for your **January 2017 data** submission. This should give you a more robust way of testing the new Central Site with real data, checking the feedback reports you get and identifying any issues that need to be resolved before we do this in Production.

Please submit your January 2017 data as a test of the Staging site by Friday, April 7th.

1. You can submit January 2017 data in NEMESIS version 2.2.1 or version 3.4.0
2. You will need new credentials to log in to STAGING. Please contact Ann Kloter for credentials. (phone: 860.509.7431 or email: ann.kloter@ct.gov)

Manual Submission to STAGING: <https://stg.dph-tac-ems.ct.gov/login.htm>

Automated Submission to STAGING: <https://stg.dph-tac-ems.ct.gov/NemesisV3Ws.aspx>

3. The document from Digital Innovation Inc., titled, "*NEMESIS Master Submission Procedure*" has specific directions. Please follow either the manual submission or automated submission directions for STAGING once you get your credentials. This document will also be posted on the [CEMSTARS page](#) of the OEMS website.

When you've submitted January 2017 data in the Staging environment and resolved issues, we will then credential you for submission of data to the PRODUCTION environment. The credentials for logging in to Production will not be exactly the same as for logging in to Staging.

We appreciate your patience and extend our thanks for your continued support of this transition.
