Kimberly Holmes-Talbot
Environmental Microbiology Supervisor
Connecticut Department of Public Health
395 West Street
Rocky Hill, CT 06067

Dear Ms. Holmes-Talbot:

I have received a satisfactory written response for all noted deviations to the FDA/LPET NCIMS triennial on-site State Central Milk Laboratory evaluation of the Connecticut State Department of Health, Milk Laboratory (IMS ID 09-A-00001) conducted August 2, 2017. In conclusion of the evaluation, the laboratory is granted full accreditation for the following procedures: 5, 9(D3, I1), 12, 20, 22, and 28. The next triennial on-site evaluation is due by August 31, 2020.

Sincerely,

Christina Megalis
Consumer Safety Officer, LPET, FDA

cc: Thomas E. Graham, Ph.D., Team Leader, LPET, FDA
Amanda Zick, RMS, FDA

CT Department of Public Health State Laboratory
State Central Milk Laboratory Accredited Procedures
