PART I. SCOPE OF SERVICES, CONTRACT PERFORMANCE, BUDGET, REPORTS, PROGRAM-SPECIFIC AND AGENCY-SPECIFIC SECTIONS

Whereas, this agreement is between the Department of Social Services (the Department or DSS), as the single state agency responsible for the administration of Title XIX of the Social Security Act ("Medicaid"), and Connecticut Health Network (CHNCT).

Whereas, General Statutes §17b-499a (e) was revised by P.A. 13-234 to authorize and direct the Commissioner of Department of Social Services (the "Department") to establish a Medicaid Therapy Management (MTM) services pilot program, in the Greater New Haven region, to act in cooperation with the medication therapy management activities of the Administrative Services Organization (ASO), the Connecticut Pharmacists Association, and a Federally Qualified Health Center (FQHC).

Whereas, Connecticut Medicaid is structured as a managed, fee-for-service program and Community Health Network of Connecticut, Inc. (CHNCT or Contractor) is the Administrative Services Organization (ASO) that manages medical services for HUSKY Health members to achieve improved health and satisfaction outcomes for beneficiaries, as well as improve the experience for providers enrolled in the Medicaid program.

Whereas, CHNCT shall provide oversight and management of the Federally Qualified Health Center Model (FQHC Model/Pilot Program).

Whereas, CHNCT shall require the FQHC to coordinate and support the activities of pharmacists that comply with the program and provide comprehensive medication reviews, follow-up medication reviews, pharmacotherapy consults, and medication education. The goal of pharmacists providing medication therapy management is to make sure that medication is right for the patient and his or her health conditions, and that the best possible outcomes from treatment are achieved.

The Contractor agrees to comply with the terms and conditions set forth as required by the Department of Social Services (herein referred to as the "Department"), including but not limited to the requirements and measurements for the scope of services, contract performance, quality assurance, reports, terms of payment, and budget. No provisions shall be contained in this Part I that negate, supersede, or contradict any provision of Part II. In the event of such inconsistency between Part I and Part II, the provisions of Part II shall control.

NOW, THEREFORE, in consideration of mutual promises contained herein and other good and sufficient consideration, the receipt and adequacy of which is hereby acknowledged, the Department and CHNCT hereto agree as follows:

A. TERM – This contract shall be in effect from 2/1/2016 to 6/30/2017.

B. SCOPE OF SERVICES: GREATER NEW HAVEN PILOT MODEL

B.1. Introduction

The purpose of the Greater New Haven Pilot (GNHP) model is to explore the efficacy of providing MTM services in a community setting, where all medical services are provided within one facility, with the opportunity for MTM to be delivered during members' doctor visits by a member of the permanent care team.

Cornell Scott-Hill Health Center (CS-HHC), located in New Haven, is the Federally Qualified Community Health Center (FQHC) that has been designated as the site for the pilot program. The health center has a long history of serving Greater New Haven neighborhoods, which are among the most

disadvantaged in the State. The health center's pharmacy participates in the Federal 340B drug program, which allows it to offer reduced pricing on medications for the Center's uninsured patients.

CS-HHC, and CHNCT-acting as an administrator, will collaborate to develop and implement a community based medication therapy management services program. CS-HHC already houses a number of specialties within its facility (including but not limited to cardiology, dermatology, gastroenterology ophthalmology, orthopedics, podiatry, rheumatology, extensive behavior health services, and diabetes prevention and education).

CS-HHC has demonstrated a commitment to improving the health and well-being of the communities it serves, while developing innovative strategies to facilitate communication between its members and providers in a manner that models the State's goals to improve health outcomes and cost efficiencies, and develop best practices.

The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.

- (c) Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.
 - (1) The Contractor shall comply with requests for documentation deemed to be appropriate by the Agency in considering whether to consent to such assignment.
 - (2) The Agency shall notify the Contractor of its decision no later than forty-five (45) Days from the date the Agency receives all requested documentation.
 - (3) The Agency may void any assignment made without the Agency's consent and deem such assignment to be in violation of this Section and to be in Breach of the Contract. Any cancellation of this Contract by the Agency for a Breach shall be without prejudice to the Agency's or the State's rights or possible claims against the Contractor.

3. Breach.

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.
- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:
 - (1) withhold payment in whole or in part pending resolution of the performance issue, provided that the Agency notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the budget;
 - (2) temporarily discontinue all or part of the Services to be provided under the Contract;
 - (3) permanently discontinue part of the Services to be provided under the Contract;
 - (4) assign appropriate State personnel to provide contracted for Services to assure continued performance under the Contract until such time as the contractual Breach has been corrected to the satisfaction of the Agency;
 - (5) require that contract funding be used to enter into a subcontract with a person or persons designated by the Agency in order to bring the program into contractual compliance;
 - (6) take such other actions of any nature whatsoever as may be deemed appropriate for the best interests of the State or the program(s) provided under this Contract or both; or
 - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.

- (d) In addition to the rights and remedies granted to the Agency by this Contract, the Agency shall have all other rights and remedies granted to it by law in the event of Breach of or default by the Contractor under the terms of this Contract.
- (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.
- 4. Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.
- 5. Suspension.** If the Agency determines in its sole discretion that the health and welfare of the Clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the Clients. The Agency shall notify the Contractor of the specific reasons for taking such action in writing within five (5) Days of immediate suspension. Within five (5) Days of receipt of this notice, the Contractor may request in writing a meeting with the Agency Head or designee. Any such meeting shall be held within five (5) Days of the written request, or such later time as is mutually agreeable to the parties. At the meeting, the Contractor shall be given an opportunity to present information on why the Agency's actions should be reversed or modified. Within five (5) Days of such meeting, the Agency shall notify the Contractor in writing of his/her decision upholding, reversing or modifying the action of the Agency head or designee. This action of the Agency head or designee shall be considered final.
- 6. Ending the Contractual Relationship.**
- (a) This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party or cancelled. Either party may terminate this contract by providing at least sixty (60) days prior written notice pursuant to the Notice requirements of this Contract.
- (b) The Agency may immediately terminate the Contract in whole or in part whenever the Agency makes a determination that such termination is in the best interest of the State. Notwithstanding Section D.2, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.
- (c) The Agency shall notify the Contractor in writing of Termination pursuant to subsection (b) above, which shall specify the effective date of termination and the extent to which the Contractor must complete or immediately cease performance. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Upon receiving the Notice from the Agency, the Contractor shall immediately discontinue all Services affected in accordance with the Notice, undertake all reasonable and necessary efforts to mitigate any losses or damages, and deliver to the Agency all Records as defined in Section A.14, unless otherwise instructed by the Agency in writing, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection of Clients and preservation of any and all property. Such Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written

request from the Agency for the specified records whichever is less. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to ASCII or .TXT.

- (d) The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
- (e) The Contractor shall deliver to the Agency any deposits, prior payment, advance payment or down payment if the Contract is terminated by either party or cancelled within thirty (30) days after receiving demand from the Agency. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings, incurred until the date of termination or cancellation for operation or transition of program(s) under this Contract shall not be subject to recoupment.

7. Transition after Termination or Expiration of Contract.

- (a) If this Contract is terminated for any reason, cancelled or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly transfer of Clients served under this Contract and shall assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
- (b) If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract. Written instructions shall include, but not be limited to, a description of the equipment to be returned, where the equipment shall be returned to and who is responsible to pay for the delivery/shipping costs. Unless the Agency specifies a shorter time frame in the letter of instructions, the Contractor shall affect the returns to the Agency no later than sixty (60) days from the date that the Contractor receives Notice.

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly *solicit* contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
