55 Farmington Avenue
Hartford, CT 06105-3730

Dear Mr. Wysocki,

I am writing to you to notify you of our intent to terminate our registration as a CCRC. We have made a business decision to convert our CCRC cottages at Creamery Brook Village to rental units and have ceased marketing any units as CCRC arrangements. Out of six available units, there are three CCRC contracts that remain in place. We will be meeting individually with the residents of each of these units within the next ten days to discuss our decision with them and the process of converting their continuing care agreements to rental agreements. Once we have completed conversion of the three CCRC units to rental units, we will notify you so that our registration can be terminated.

Please let me know if we can provide you with additional information.

Most sincerely,

Linda Silvia
Executive Director
